

We are travelers on the Aspen Ridge Trailways. It is our mission to think independently, participate in our integrated world, and achieve individual goals in order to gain knowledge and understanding. We will approach challenges with confidence and assist others in our community while learning and growing together on the trail of success.

Dear Family & Friends of Aspen Ridge,

Our deepest gratitude goes out to all of our sponsors, donors, parents, friends, teachers and administrators that gave their time and energy towards our Annual Gala Fundraiser this year. We are also incredibly grateful for all the hard work and countless hours our volunteers put into making it a night of success. With all the pieces of the puzzle working together, the big picture of an amazing school community has materialized!

We're anxious to share the auction results with you and will do so once the business office completes the tabulations. In the meantime, in our efforts to continuously grow the school we would appreciate your feedback to help us achieve the highest quality fundraising experience. We ask that you take a moment to fill out the following survey and share your thoughts.

Sincerely,
ARPS Gala Committee

(FYI... Our PreK and Kinder classes sold the most tickets to the Gala, so they have earned a dress-down week! In addition, they are sharing a dress-down day with the WHOLE school (Wednesday, May 10). Great job, OWLS!)

Summer Learning is on the rise at Aspen Ridge...

“Adventure is out there!”

Learning and growing are two things that are key to the Aspen Ridge difference! We know that the summer slide “has shown students to decline by a month in their academic performance, and that cumulatively, can be impossible to make up during the school year alone over time!” That’s why we want 100% of our students engaged in reading and learning this summer, and WE want to be a part of that adventure!

Continue your learning journey by staying engaged, involved, and connected to Aspen Ridge!
