### **HANDBOOKS AND DIRECTIVES**

**In order that pertinent Board policies are communicated to staff and students, the Principal shall issue staff and student handbooks as found necessary and desirable.**

**The contents of all handbooks must conform to school policies and regulations and be in a format suitable for distribution to parents and students. It is also important that handbooks bearing the name of the school be of a quality that reflects credit on the school. Therefore, the Board expects all handbooks to be approved by the Board prior to publication.**

**All handbooks must receive Board approval prior to publishing.**
