STUDENT TRANSPORTATION

Aspen Ridge will rely on parent transportation of students to and from school. Aspen Ridge will assist parents in arranging carpool services for students.

If deemed necessary and funding allows, Aspen Ridge reserves the right to contract with the Sponsoring District, a private organization, or purchase buses to provide transportation services. In this case, Aspen Ridge will provide the Sponsoring District with a detailed transportation plan for approval before initiating transportation services.

Aspen Ridge reserves the right to contract with the Sponsoring District or a third party to provide transportation for field trips and other special events.
