The number of days of planned teacher-student instruction and of teacher-student contact shall meet or exceed the requirements of state law. ARPS will maximize school contact by providing school days that are a minimum of seven hours. To the extent feasible, ARPS Board of Directors shall coordinate major holidays and vacations with the SVVSD calendar.

The ARPS school calendar for the next school year shall be prepared by the Principal and presented to the ARPS Board for approval in the spring of each year.

A copy of the calendar shall be provided to all parents/guardians of students enrolled in ARPS.
