ARPS Video Viewing Permission Slip

From time to time, videos or other media may be used to support the lesson. To be used in class they must meet a specific curricular objective and will not have profane language or sexually explicit material. This form does not refer to supplemental resources specifically produced for educational purposes. For example, Discovery Streaming, NOVA, Reading Rainbow, Bill Nye the Science Guy, Time Magazine for Kids among others.

Below are the defined categories based on the grade of the student.

K-5: ONLY G-RATED MOVIES WILL BE USED.

This form will be submitted by each teacher prior to the showing of the first video of the year. If no form is returned, students will not be able to view the material and no alternative course work will be provided. Please return this form promptly.

My student may view all videos the teacher selects to support the curriculum.

My student may view certain videos with my permission on a case-by-case basis.

My student may never view videos the teacher selects to support the curriculum. I understand that my student will be provided with an alternative assignment.
