

## **Inclement Weather Information**

When forecasts are definitive, the district will close or delay school with as much advance notice as possible. When forecasts are less definitive, we will monitor conditions closely and consult with county and state officials prior to making a decision to close or delay schools. In these instances, we will make every effort to communicate with you no later than 5:30 a.m. on the school day in question.

### **Aspen Ridge follows all district closures and delays**

When the schools remain open, but you believe that weather conditions in your specific area are not safe for your student to attend school, please feel free to contact your school's attendance clerk to obtain an excused absence for your student. If severe weather conditions cause you to keep your student at home, he/she will be able to make up any missed schoolwork without penalty.
