Kindergarten and Preschool Tuition is due on the 1st of every month and is considered late on the 11th calendar day of every month. The first tuition payment is due on the first day of class for the new school year and the last tuition payment is due May 1 at the end of the school year. If tuition is not received by the end of the month, your child's spot in the program will be made available to the waitlist. Payments for tuition can be made online, or, if paying by check, please mail to the school or drop off at the front office. If you would like to be considered for tuition assistance based on financial need, please contact the Aspen Ridge business manager for the appropriate application process. Student accounts need to be current or a payment agreement in place before enrollment for an upcoming year.

I understand that by submitting this form, I am applying for admission to ARPS for the 2018-2019 school year and my child will be entered into the ARPS Enrollment Lottery. I will be notified via email immediately following the Enrollment Lottery of the status of this application. If selected for enrollment, I must complete the enrollment process within two weeks of notification in order to hold my child's position within the school and confirm enrollment. The details of this process will be outlined in the notification email and will include an online registration through St. Vrain Valley School District and a registration fee. I am responsible for notifying the office of any contact information changes.
