This form is for all current Aspen Ridge Preschool/Pre-Kindergarten students. Please fill out one form for each child that is currently enrolled in Preschool/Pre-K class that will either repeat or move from the Preschool class to the Pre-Kindergarten class. This provides us with the necessary information for your child's placement and form classes for the 2019-2020 school year. It is very helpful to let us know if your child will not be returning as we have new students on a waiting list.

*Preschool Tuition is due on the 1st of every month and is considered late on the 11th calendar day of every month. The first tuition payment is due on the first day of class for the new school year and last tuition payment is due May 1st at the end of the school year. If tuition is not received by the end of the month, your child's spot in the program will be made available to the waitlist. Payments for tuition can be made online, or, if paying by check, please mail to the school or drop off at the front office. If you would like to be considered for tuition assistance based on financial need, please contact the Aspen Ridge business manager for the appropriate application process. Student accounts need to be current or a payment agreement in place before enrollment for an upcoming year.

*Please note that all current preschool students will have priority for class placement within the Preschool Program. Current students who are repeating will be given first choice followed by preschool students moving from preschool into Pre-K. All students will be placed in their 1st choice unless there are more requests for one class than spots available. In this case a lottery will take place to determine which students are placed while the remaining students will be placed in their 2nd choice. Students may be placed on the wait list of the 1st choice while still admitted in their 2nd choice. Any questions please contact the Preschool Director asimmons@aspenridgeprepschool.org
